

The mission of Einstein Charter Schools is to nurture students to be academically STRONG, as well as socially and emotionally resilient.

Einstein Charter Schools

COVID-19 Vaccination Policy

I. Introduction

In accordance with Einstein Charter Schools' duty to provide and maintain a workplace that is free of known hazards, Einstein Charter Schools is adopting this policy to safeguard the health of our employees and their families; our students and visitors; and the community at large from infectious diseases, such as COVID-19 that may be reduced by vaccinations. This policy will comply with all applicable laws and is based on guidance from the Centers for Disease Control and Prevention and local health authorities, as applicable.

The federal COVID-19 PHE declaration ended on May 11, 2023. With that, Covid vaccinations are encouraged but not required for the 2023-2024 School year. We will follow New Orleans Public Schools. City of New Orleans Louisiana Department of Health and the Center for Disease Control guidance to align with data changes. Thus, to minimize exposure to and the transmission of the COVID-19 virus, Einstein Charter School's employees are encouraged to receive a COVID-19 vaccination.

II. Covid Testing

Staff and students can get FREE Covid Testing by visiting the nurse's office at the individual school sites.

Einstein Charter Schools reserves the right to alter or amend this policy and its procedures in its sole discretion. Employees who have any questions regarding any part of this Policy are encouraged to contact My Tran, Ex. Director of Human Resources, 504.202.1372;
