

NOLA Public Schools Special Education Program Description

Overview:

Per the SPLC Agreement, LEAs are required to provide information about their special education programming that is publicly available and accessible online. All Charters under NOLA Public Schools must submit their Program Descriptions to NOLA Public Schools and all Charter Schools will be required to host a link to their Program Description on their web site and make them available at the school site.

Directions:

- **Section A:** Please provide your LEA's overall description/approach/philosophy to special education. Please limit the response to 200 words.
- **Section B:** Provide name and contact information for the school and CMO network special education leaders (if applicable).
- **Section C:** These data are required per the Agreement. The Department will fill in this information after submission from the LEA.
- **Section D:**
 - **Appraisal/Evaluation:** Please complete this section by providing titles/qualifications of staff (not names) in these roles, and examples of interventions, meetings, parent engagements, and decisions that may eventually result in a student's evaluation and identification.
 - **Related Services Provision and Staffing:** Please provide the number of staff (in terms of FTE) currently providing instruction or services to students with IEPs. If a specific service is not being provided because it is not required by any particular students at this time, please provide a description of how the school might seek out services if they become necessary for a student. Please also note any facility and service accommodations for student mobility. Please also note the method of specialized transportation that may be available to students and any examples of assistive technology that support students.
- **Section E:**
 - **School-based supports (in-school):** For each grade level group and in-school setting, please provide a short description of staffing, curriculum, and intervention supports. Please also note how students may be identified for extended year services and what supports they receive, and any in-school specialized programming (different from the general, resource, and self-contained descriptions) and what supports they receive.
 - **Community-based supports (out-of-school):** Please name any external partners that your school works with and the services they provide to students. If a student may require instruction or services off-site (examples: special school, therapeutic placement, hospital or a homebound setting, juvenile detention facility, etc.), please describe how the school has provided instruction and services to the student in the past, or how the school would provide these services in the future.

NOLA Public Schools Special Education Program Description

A. Description of overall philosophy (200 word limit):

Sherwood Forest Elementary, Einstein Charter Schools seeks to empower all learners and provide a quality, well-rounded education. Regardless of a student's race, ethnicity, socio-economic status, primary language, or exceptionality, Sherwood Forest Elementary, Einstein Charter Schools is committed to ensuring that all students have what they need to be successful. We employ and train knowledgeable educators and provide them with access to Tier 1 curriculum, as well as learner specific resources.

E. Description of how the school plans to provide the continuum of special education placements for students whose IEP placement is outside of the regular education setting			
<i>School-based Supports (in-school)</i>			
	Description of Supports within Inclusion	Description of Supports within Resource	Description of Supports within Self-Contained
PK-5	Students who are supported in inclusion receive assistance via a SpEd teacher and paras who help scaffold instruction to meet the learners needs. Students receive small group, direct instruction by using a	Students who are supported in the resource room receive individual and small group instruction primarily focused on reaching goals outlined in the student's IEP. Students also receive additional reinforcement of grade level student standards.	The teacher must ensure that the curriculum is appropriate to the student and will focus on skills the student needs to be successful in school. The teacher must begin with a thorough assessment of the student in order to know where to begin new teaching and then later to determine how much progress was

NOLA Public Schools Special Education Program Description

	<p>co-teaching model. They also receive appropriate accommodations such as reading aloud and extended time. These supports are necessary to ensure students have what they need to show mastery.</p>		<p>made. The teacher must design and deliver instruction in such a way as to motivate the student and teach to all learning modalities. Some students, for instance, may learn most effectively by utilizing visual materials, while others may learn more effectively utilizing audio recordings with text-to-speech software that reads the written material aloud for the student. Managing student behavior is critical and the development of behavior management plans essential to good classroom/school Management is required.</p>
6-8			
9/T9-12			
<p>Description of extended school year services:</p>		<p>Identification: Teachers are required to submit an ESY Eligibility</p> <p>Delivery: Students attend school on campus Monday-Friday and receive specialized instruction by the Special Education teacher and para-educator. SpEd teacher delivers instruction based on unmet IEP goals and unmastered grade level skills.</p>	

NOLA Public Schools Special Education Program Description

<p>Description of specialized program(s)</p>	<p>Criteria for participation:</p> <p>Students who participate in the gifted and talented program are identified through a process outlined in Bulletin 1508.</p> <p>Delivery: Students are serviced by the gifted and talented teachers.</p>
<p><i>Community-based Supports (out-of-school)</i></p>
